

## A Walk Through Vdara Hotel & Spa

Vdara is an internationally inspired all-suite hotel and spa designed for those who love the excitement of Las Vegas but prefer to enjoy it in an exclusive, non-gaming, smoke-free and sustainable environment. Tucked between ARIA Resort & Casino and Bellagio, the chic hideaway offers access to all of the entertainment, gaming, shopping, dining and nightlife in Las Vegas, while also providing a retreat from it all.

### Arrival

From Harmon Avenue, guests are afforded stunning views of Vdara's shimmering silhouette. Designed by RV Architecture, LLC, led by Rafael Viñoly, Vdara's distinctive shape and unique skin of patterned glass creates one of the most striking design statements in the city. Viñoly's overlapping crescent design resonates with the lines established by Harmon Circle and creates a harmonious dialogue with ARIA Resort & Casino.

As guests approach Vdara's porte cochere, they are welcomed by a large-scale art installation, "**Big Edge**" by Nancy Rubins, a 75-foot sculpture of small water vessels that make up a wild bouquet of color and shape. Just outside the hotel's main entrance, the outdoor garden oasis of Bar Vdara intrigues guests with its vibrant colors and reflecting pool. Surrounded by foliage, the space offers a sense of seclusion while delivering dramatic views of ARIA.

### Lobby

Once inside, guests are surrounded by Vdara's intimacy and warmth. Rich wood finishes accentuate colors of the desert landscape. Clean, open spaces and linear accents evoke a modern yet sexy vibe, complemented by the natural light that flows in through floor-to-ceiling panoramic windows. Above the registration desk hangs the 30-foot-long horizontal Frank Stella painting, "**Damascus Gate Variation I**," which draws immediate attention with its vibrant shades of blue, red, orange and yellow. Due to Vdara's boutique size, nearly all of its spectacular amenities are just steps from the main entrance. Guests have immediate access to its meeting and social event space; registration desk; concierge lobby; and its casual eatery and marketplace, Market Café Vdara. At the heart of the lobby experience, VICE VERSA Patio & Lounge radiates energy and sophistication.

Within Vdara's concierge lobby, Peter Wegner displays two soaring lunar- and solar-themed works of art on opposite walls entitled, "**Day for Night, Night for Day**." Three stories above, an open wooden walkway offers a new vantage point of the artwork, as guests peer down into the lobby. On the second level of the hotel, guests can enjoy ESPA at Vdara, Salon Vdara and Pool & Lounge Vdara.

Just outside of Market Café Vdara, a short walkway connects Vdara and Bellagio's Spa Tower, as well as ARIA Express, a complimentary tram that provides access to The Shops at Crystals, ARIA and Park MGM.

### **Market Café Vdara**

Market Café Vdara is a casual eatery where guests can sit and enjoy freshly made breakfast and lunch selections, or purchase groceries to take to their suites.
