DÉCOR:

From the moment of arrival, guests are drawn into the dramatic 80-foot-long arched pergola, lined with twinkling foliage overhead and vibrant, bloom-infused flower walls featuring intimate seating/photo nooks. The main dining room has a contemporary, nature-inspired feel with the iconic olive tree standing at the middle of the room beneath its own glass roof. A rustic grey wood trellis overhang defines the seating area, creating the feel of an outdoor garden. Off the main dining room, the private lounge’s refined atmosphere reminiscent of a library and its centerpiece is a custom five-foot-diameter crystal chandelier. The bar space features a 16-foot-tall vaulted ceiling and an open backbar with views of the adjacent dining room. The backbar display is made of 10 feet of tiered, glowing liquor bottles that reflect in mirrors to create a dazzlingly expansive optical illusion.
