Jinks has always built his career on his own terms. These experiences are reflected on [Change the Game](#), as Jinks puts forth his signature outlaw country spirit with a new level of artistic maturity.

“One of the most beloved and successful independent voices in country music” (*Wide Open Country*), Jinks has amassed a loyal fanbase throughout his career, having sold over 2 million tickets to date. He’s also released ten full-length albums that regularly chart near the top of *Billboard* Country and Independent Albums charts, garnered 3.5 billion streams across platforms and had eight songs certified RIAA Platinum or Gold, led by the double-platinum success of “Loud and Heavy.” In recognition

of this hard work, Jinks was named *Music Row's* 2023 Independent Artist of the Year—the second time he’s received this honor.
