Ana Gabriel started the first part of the tour in her native Mexico with more than 15 concerts overflowing with emotions with her beloved fans who reaffirm time and time again that The Moon of America is indeed a prophet in her own land. The artist shared all of this through her account inviting her fans to join her on *“this adventure of 50, yes, 50, and thus, to be able to embrace them again with her music, that is my wish and my greatest desire. And It Will Be Forever.”*

Regarding this, Henry Cardenas CEO of CMN Cardenas Marketing Network, expresses *“for us at CMN, counting and producing the tours of an iconic artist like Ana Gabriel will always be a source of pride, her dedication and commitment to her fans commit us as a production company in each tour to execute shows of great height and quality.”*
