ABOUT KEHLANI

Kehlani will open your eyes, open your mind, and open your heart. For as blunt as she may be about life, longing, lust, and love, her music occupies an elevated state above even the best high—yet accessible by simply listening. The Bay Area-born two-time GRAMMY® Award-nominated multi-platinum songstress unlocks this place anytime she picks up a pen or grabs a microphone. Since 2014, her light has only continued to glow brighter. Thus far, she's picked up over twenty Gold and Platinum RIAA certifications, tallied 9 billion streams, and garnered a pair of GRAMMY® Award nominations in the categories of “*Best Urban Contemporary Album*” for the gold-certified mixtape *You Should Be Here* and “*Best R&B Performance*” for the platinum single “*Distraction*.” Beyond blockbuster collaborations with Cardi B, Justin Bieber, Post Malone, Burna Boy, Young Boy Never Broke Again, Calvin Harris, she has appeared on soundtracks such as *Suicide Squad: The Album*, *The Fate of the Furious: The Album*, and more. Along the way, she's received the “*Rule Breaker Award*” from *Billboard Women In Music* and performed at *Voodoo Music + More*, *Coachella*, and beyond. She reached a critical and creative high watermark with her sophomore offering, *It Was Good Until It Wasn't*. It not only bowed at #2 on the *Billboard Top 200*, but it also concluded 2020 on over a dozen year-end lists from *Billboard*, *Esquire*, *Hypebeast*, *Nylon*, *Seventeen*, *Spin*, *Stereogum*, *The Guardian*, and many more. She welcomed everyone into the rapture of her third full-length album, *blue water road* (Atlantic Records) in 2022. After she concluded a sold-out run through North America, featuring support from Rico Nasty and Destin Conrad, she brought her acclaimed *The Blue Water Road Trip* to a close in Australia/Asia. Earlier this year, Kehlani made a triumphant return with her acclaimed fourth studio album, *CRASH*, featuring the smash hit “*After Hours*.” Hailed by *Billboard* as “*oozing with good vibes spurring fans to get outside ahead of summertime*,” the Khrist Riddick and Alex Goldblatt-produced track was recently named among *Rolling Stone's* “*Best Songs of 2024 So Far*.” Kehlani describes her new album as her “most free, most fun, most loud, and most fueled” project thus far and plans to keep the party going on her forthcoming global arena tour, *CRASH WORLD TOUR*.
