

Bellagio's Pan-Asian Restaurant Noodles Reopens with Stylish New Design and Refreshed Cocktail Menu

LAS VEGAS (January 27, 2025) – Noodles, Bellagio's celebrated pan-Asian dining concept, renowned for its authentic regional noodles, BBQ, seafood, dim sum and vegetable dishes, is now open in a stylishly reimagined space.

The redesigned interior, conceived by Woogmaster Studio, draws inspiration from the winding streets of Hong Kong's famous antiques market district. The room's stunning new architecture is defined by abstract elements such as Chinese windows, paravents, stone art and lanterns, while newly added banquettes create an inviting and intimate dining experience.
