

Beau Rivage's New MGM Golf and LUX Lounge Combine Cutting Edge Virtual Games with Signature Cocktails and Eats

New multi-sport, multi-player simulators offer an interactive entertainment experience

BILOXI, Miss. (February 2025) – MGM Resort's Beau Rivage Resort & Casino is thrilled to welcome a new state-of-the-art entertainment experience, MGM Golf and LUX Lounge, featuring a multi-sport, multi-player immersion experience. This lively new venue offers a one-of-a-kind virtual experience that's fun for all ages and skill levels. Featuring next-generation simulators with interactive virtual games, chef-inspired dishes, and signature cocktails backed by a full-service bar, MGM Golf is the ultimate destination for any occasion from private parties to corporate events.

"Whether you're perfecting your swing or enjoying a night out with friends, we're redefining what it means to play, relax, and celebrate," said Beau Rivage Vice President of Hospitality Murat Akan.

Located along the Beau Rivage's retail promenade, MGM Golf features HD Golf simulators that provide an immersive experience with stunning realism. Unlike other simulators that use video game-like graphics, MGM Golf's simulators use real world data and advanced computer vision technology to track ball speed, spin, club face contact, and angle with pinpoint precision—accurate to 0.1 degrees, providing a hyper-realistic gaming experience. Designed to cater to both non-golfers and golfers alike, guests can challenge themselves on some of the world's most iconic golf courses, like Pebble Beach and St. Andrews, or compete in dozens of sports and activities, including soccer, hockey, baseball, bowling, hunting, and even unique options like footgolf and darts. The 3,700-square-foot space includes three simulator bays, which can accommodate groups of up to eight players, in an elegant, smoke-free atmosphere.

After working up an appetite, guests can relax in swanky seating at the adjacent LUX Lounge, offering signature cocktails, full-service bar, and a brand-new menu of mouthwatering dishes. With 10 HDTVs and live music every week, there is always something for everyone to enjoy.
