BEVERAGE PROGRAM:

Juniper Cocktail Lounge stretches guests' perception of the familiar by delving into new possibilities of classic cocktails – whether gin-based or otherwise. The artistry of the libations, along with the city's largest collection of gin, together populate a cocktail repertoire channeling the adventurous spirit of guests with classic drinks presented and prepared in avant-garde fashion.

SIGNATURE COCKTAILS: GnT – *Choose Your Own Adventure* – Juniper Cocktail Lounge's Gin & Tonic adds a playful interaction through the childhood-inspired "Fortune Teller" paper game that allows guests to choose the gin and flavor profile to discover the specific Gin & Tonic that's destined for their palate.

A Little Birdie – *BluecoatGin / Strawberry / Dolin Dry Vermouth / Fresh Lemon* – If martinis could fly, the result would be A Little Birdie, served in rare bird-shaped glassware to add a dash of whimsy to the classic libation. The mint leaves serve as the cocktail's tail feathers, delivering a fresh punctuation on the beautiful drink.

No Judging – *Green Chartreuse / Fresh Pineapple / Fresh Lime / Flaming Mint* – Juniper Cocktail Lounge's blazing take on a Chartreuse Swizzle is served in a dazzling pipe-like glass. The bartender ignites the mint garnish before guests' eyes to release the aromatics that swirl and intertwine with the acidic flavor combination.
