Tickets will be available starting with a Citi pre-sale beginning **Tuesday, March 25 at 7 a.m. PT**. Additional pre-sales will run throughout the week ahead of the general on sale beginning **Friday, March 28 at 10 a.m. PT**. Tickets can be purchased at [ticketmaster.com](https://www.ticketmaster.com), [cosmopolitanlasvegas.com](https://www.cosmopolitanlasvegas.com) or by calling 800.745.3000.

About Chevelle

Chevelle are an understated musical powerhouse that has successfully delivered rock anthems to a global audience for the past 30 years, holding their own as accomplished and steadfast talents in the genre. After more than three decades writing and recording together, numerous releases, and countless worldwide tours, the outfit — consisting of brothers **Pete Loeffler** [guitars, vocals] and **Sam Loeffler** [drums] — have confidently sailed through decades of uncharted waters.

As award-winning, multi-platinum artists, the Chicago duo's unwavering genius is unmistakable across their past nine studio records. More than a dozen No. 1 hits and many more songs reaching the Billboard Top 10, with more future chart-topping hits featured on this forthcoming album to excite fans this summer, it's all credit to their continuing dedication to be true to their craft, the genre, and their fans.

With no signs of slowing down, this Chicago alternative rock duo has certainly earned its place in American rock music history. The forthcoming album, due later this year, adds another exciting chapter to Chevelle's extensive catalog. As the Loefflers continue to master their craft, Chevelle take on the critics and prove time and time again that they are a force to be reckoned with.

About Asking Alexandria

Metal Hammer declared *See What's On The Inside* (2021), "an outrageously infectious ode to classic rock." Forbes noted the album's visceral connection to early Asking Alexandria influences like Guns N' Roses, Metallica, and Pantera. After "Alone Again" hit No. 1 on Active Rock, "Never Gonna Learn" (from the 2022 E.P. of the same name) went to No. 6. The band boasts over 1.4 combined streams and over 700 million views of their music videos on YouTube.

Asking Alexandria offers reverence to touchstone icons like Led Zeppelin, AC/DC, and Queen, with a relentless urgency harkening back to their early days as hard-partying Warped Tour upstarts. In 2023, long-time comrades Ben Bruce (lead guitar), Danny Worsnop (vocals), Cameron Liddell (guitar), Sam Bettley (bass), and James Cassells (drums) ride a creative high with their forthcoming eighth studio album kicked off by the immediate success of the arresting, catchy, and sober "Dark Void."

"With the world seemingly getting darker and darker, so many of us struggle with anxiety, depression, loneliness," Bruce says of the next album's themes. "We are all on our own journey with unique challenges, but we have our inner strength to fall back on."

Even as their creative ambitions continue to grow, that transcendent connection between Artist and Audience remains the essential lifeblood pumping through the heart of Asking Alexandria. From personal struggles to career highs and everything in between, this band truly understands.

About Dead Poets Society

Dead Poet Society is an American rock band formed in Boston, Massachusetts in 2013 by Jack Underkofler, Jack Collins, Nick Taylor

and Will Goodroad. Dylan Brenner replaced Nick Taylor on bass in 2019.
