LAS VEGAS (July 28, 2025) – Naughty Patty's, the wild and playful burger concept fantasized by The Cosmopolitan of Las Vegas, is officially open at Block 16 Urban Food Hall. With buns that won't quit and sauces worth spilling, Naughty Patty's is here to make mouths water and pulses race.

"She's bold and not here to behave," said Jessica Somple, Vice President of Food & Beverage for The Cosmopolitan of Las Vegas. "Naughty Patty's is a love letter to comfort food - a place where there's no shame in licking your fingers. It's fun, nostalgic and a standout addition to the carefully curated lineup at Block 16."

THE MENU

At Naughty Patty's, every bite is a tease, and no craving goes unsatisfied. Curated by The Cosmopolitan's Executive Chef Mark Crane, the indulgent menu starts with Signature Smash Burgers: juicy patties made from a blend of ground chuck and brisket, smashed and seared until perfectly crispy on the edges, hot and dripping in the middle. Piled high with bold toppings and just the right amount of sauce, they're messy in all the right ways.

But Patty doesn't stop at burgers. From crave-worthy fries to frozen custard, every item is built to tempt.

Go Buns Deep

The Naughty Patty – Classic smash burger with New School American cheese, LTO, crinkle dills and Smash Sauce on a potato roll (veggie patty available)

The Melt Down – Thick-cut bread brushed with mayo and fried to a golden crisp with a molten, gooey center that stretches with every bite.

House Dog – Big, beefy and ready to be handled.

Dirty Dog – Like the House Dog but saucier, loaded with Not Quite Chili, yellow mustard and diced onions.

Patty Meal – The full affair: The Naughty Patty, Crispy Fries and a drink with upgrades available for Concretes, specialty sodas or draft beer.

For an upcharge, guests also can add some mischief between buns with extras like bacon, avocado, fried egg, pickled peppers, an extra patty or a side of Smash Sauce.

Side Piece

Crispy Fries – Patty's fries come out hot and begging to be dipped, served naked or dusted with Kitchen Sink seasoning – salty, savory and loaded with attitude.

Make It Dirty – When naked fries aren't enough, pile on the Not Quite Chili and New School American Cheese for a seriously saucy upgrade.

Shake It Like You Mean It

Made with housemade frozen custard, Naughty Patty's Concretes are thick, rich and ready to please:

Milk N' Cookies – Vanilla custard, Oreos, dark chocolate sauce

Strawberry Shortie – Vanilla custard, fresh strawberries, strawberry sauce

THE VIBE

Equal parts retro charm and modern mischief, Naughty Patty's brings high heat and low inhibitions to Block 16 Urban Food Hall. It's a destination with big flavor, whether it's a late-night craving or a mid-day rendezvous. At the center of it all is Patty herself, the saucy siren of this burger affair, always stirring the pot and whispering sweet nothings from her corner of Instagram [@NaughtyPattys](#). Expect cheeky updates and behind-the-scenes teases.

So go ahead – unwrap it. Bite into it. Get a little sauce on your shirt. Naughty Patty doesn't judge. She just wants guests to come back for more.

Naughty Patty's is located inside Block 16 Urban Food Hall at The Cosmopolitan of Las Vegas, on the second level of the Boulevard Tower. The restaurant is open Sunday – Thursday from 11 a.m. – 10 p.m. and Friday – Saturday from 11 a.m. – 12 a.m.
