

Gymkhana to Debut at ARIA Resort & Casino in Las Vegas This Fall

Two Michelin-starred London restaurant launches first U.S. location, blending fine Indian cuisine within a vibrant setting

LAS VEGAS (August 6, 2025) – In a bold move set to redefine the Las Vegas dining scene and welcome a new chapter of culinary excellence, ARIA Resort & Casino will debut the acclaimed Two Michelin-starred restaurant [Gymkhana](#), this fall. Inspired by the private clubs of India – where high society gathers to dine, drink, socialize and play sport – Gymkhana will introduce a new level of sophistication to ARIA's food and beverage portfolio, further cementing the resort's reputation as a premier culinary destination in the heart of the Las Vegas Strip.

Founded by siblings Jyotin, Karam and Sunaina Sethi of [JKS Restaurants](#), the original Gymkhana in London is one of the city's most celebrated and in-demand restaurants, beloved by A-listers and critics alike. The cuisine takes influence from the breadth of India and is renowned for its bold flavors and rich, layered spicing rooted in tradition. The menu will showcase many of Gymkhana's signature dishes, broadly focusing on tandoor-grilled specialties, classic regional curries, fragrant bryanis and chaat-style sharing plates. Alongside the signature offering, there will be new dishes exclusive to the Las Vegas location. The restaurant's bar will feature Indian-inspired cocktails with modern interpretations of renowned classics – all handmade with premier spirits and ingredients to offer a variety of curated beverage options based on guest preference.

"Gymkhana in London has firmly established itself as a global destination, drawing guests from around the world for its remarkable, curated experience," said Ayesha Molino, President & COO of ARIA. "We're honored to partner with the JKS family to bring this iconic brand to Las Vegas, delivering something truly unforgettable, in a way only ARIA can."

Jyotin, Karam and Sunaina Sethi are credited for their innovative, boundary-pushing approach to hospitality. Later this year, JKS also will unveil another of its award-winning concepts, Ambassadors Clubhouse, in New York City, establishing a coast-to-coast presence in two of the country's most dynamic culinary capitals.

JKS Co-founder Jyotin Sethi said, "Las Vegas is home to many world-class restaurants and showcases many cuisines, but the ARIA team was the first to recognize that the time is ripe for Indian food to be at the forefront. Their sensitive approach to the partnership is something we have hugely valued, and they match our desire to ensure the authenticity of the Gymkhana experience, from London to Las Vegas. We are thrilled to be bringing our Indian hospitality and food to such a vibrant scene."

Additional details about Gymkhana will be released in the coming months. For the latest, please visit [Gymkhana Las Vegas](#) or follow [@GymkhanaLasVegas](#) on Instagram.

About ARIA Resort & Casino

ARIA Resort & Casino is centrally located on the Las Vegas Strip featuring amenities including world-class dining experiences at Din Tai Fung, Carbone and CATCH, premium meeting and convention space, striking architecture and sustainable design. FORWARD LOOKING STATEMENTS

Statements in this release that are not historical facts are forward-looking statements, within the meaning of the Private Securities Litigation Reform Act of 1995, as amended, and involve risks and/or uncertainties, including those described in MGM's public filings with the Securities and Exchange Commission. Forward-looking statements can be identified by the use of forward-looking terminology such as "believes," "expects," "could," "may," "will," "should," "seeks," "likely," "intends," "plans," "pro forma," "projects," "estimates" or "anticipates" or the negative of these words and phrases or similar words or phrases that are predictions of or indicate future events or trends and that do not relate solely to historical matters. MGM has based

forward-looking statements on management's current expectations and assumptions and not on historical facts. Examples of these statements include, but are not limited to, MGM's expectations regarding the anticipated opening of Gymkhana and the overall execution of MGM's hospitality and entertainment strategy. Forward-looking statements depend on assumptions, data or methods that may be incorrect or imprecise, and MGM may not be able to realize them. These forward-looking statements involve a number of risks and uncertainties. Among the important factors that could cause actual results to differ materially from those indicated in such forward-looking statements include risks related to the economic and market conditions in the markets in which MGM operates and competition with other destination travel locations throughout the United States and the world, the design, timing and costs of expansion projects, risks relating to international operations, permits, licenses, financings, approvals and other contingencies in connection with growth in new or existing jurisdictions and additional risks and uncertainties described in the Company's Form 10-K, Form 10-Q and Form 8-K reports (including all amendments to those reports). In providing forward-looking statements, MGM is not undertaking any duty or obligation to update these statements publicly as a result of new information, future events or otherwise, except as required by law. If MGM updates one or more forward-looking statements, no inference should be drawn that it will make additional updates with respect to those other forward-looking statements.
