

## Major Food Group Brings CARBONE Riviera to Bellagio, Opening November 7

*One of The Strip's most anticipated reservations goes live  
October 9*

**LAS VEGAS (October 8, 2025)** – [CARBONE Riviera](#), the entirely new CARBONE concept highlighting the finest seafood in the world with Italian culinary mastery, will begin accepting reservations for its one-of-a-kind dining experience at Bellagio in Las Vegas on Thursday, October 9. Reservations can be made in advance of the restaurant's **public opening on Friday, November 7**.

CARBONE Riviera will be open seven nights a week from 5 p.m. – 11 p.m., and reservations are available to book via [Bellagio.com](#) or by calling Bellagio Concierge at (702) 693-6705.

Created by Major Food Group co-founders Mario Carbone, Jeff Zalaznick and Rich Torrisi, in partnership with MGM Resorts International, CARBONE Riviera is not simply a new concept—it is an evolution of a globally celebrated institution. Rooted in the legacy of CARBONE and its acclaimed interpretation of Italian-American cuisine, CARBONE Riviera translates that signature vision into a seafood-driven dining experience.

At the heart of the restaurant is an extraordinary whole-fish program, executed with the signature ceremony and flair that defines CARBONE. From crudos, salt-baked branzino and grilled Dover sole, each preparation is presented tableside by captains trained in the brand's hallmark style of theatrical yet refined service. The vast and varied menu will also include Chef Mario Carbone's Spicy Lobster Meatballs, delicately cooked seafood of exceptional provenance, and an incredible selection of pastas such as a two-pound Lobster Pasta—anchored by the iconic Spicy Rigatoni Vodka.

The restaurant overlooks the iconic Fountains of Bellagio with indoor seating options in the bar/lounge, main dining room and private dining room. Guests interested in an outdoor dining experience can enjoy CARBONE Riviera's exquisite flavors on the lakeside deck and patio.
