The cuisine takes influence from the breadth of India and is renowned for its bold flavors and rich, layered spicing rooted in tradition. Inspired by the private clubs of India, where high society gathers to dine, drink, socialize, celebrate and play sport, the restaurant evokes the sophisticated spirit of these members' club infused with the energy of Las Vegas.

Gymkhana will be located near ARIA's lobby, adjacent to CATCH, with seating options at the bar, lounge and main dining room. Large groups and private dining requests can be accommodated by contacting ARIA Concierge. For more information and to book a reservation, visit [Aria.com](#).
