About Christopher Cross

Christopher Cross burst onto the music scene with his 1980 self-titled debut album, winning five GRAMMY Awards, including—for the first time in GRAMMY history—the “Big Four” most prestigious awards: Record of the Year (for the single “Sailing”), Album of the Year, Song of the Year (also “Sailing”), and Best New Artist.

In a career spanning more than four decades, Cross has sold over 10 million albums. His music has garnered five GRAMMYS, an Oscar, a Golden Globe, an Emmy nomination and five Top 10 singles.

Within a year of the first album’s release, Cross joined music royalty Burt Bacharach to write “Arthur’s Theme,” for the movie *Arthur*, which won an Academy Award for Best Song. With his 1983 release, *Another Page*, Cross was again in the Top 10 with the singles “All Right” and “Think of Laura.” His song, “Swept Away,” composed for the hit television series, *Growing Pains*, was nominated for an Emmy.

Cross started his own label and, since 2007, has released eight albums of new material, including *A Christopher Cross Christmas* and *The Café Carlyle Sessions*, jazz treatments of hits and favorites born out of a residency at the famous Hotel Carlyle in New York City. *Take Me as I Am*, released in 2018, features richly-crafted melodies and elegant guitar work. The latest project for Christopher Cross Records is aptly titled *The Complete Works*. Released in 2020, it celebrates his 40th anniversary as a recording artist and is a collection of all 12 previously-released CDs, one CD of singles and bonus tracks, and a pink vinyl containing one track from each album chosen by Christopher.

Even though the COVID-19 pandemic delayed the 40th Anniversary tour, he is once again performing the carefully-crafted songs and music his fans enjoy, starting with “Sailing” and “Ride Like the Wind” from his GRAMMY-winning debut album and continuing through the decades of his ever-changing but always excellent material. Concert dates can be found on the tour section of his website, [www.christophercross.com](#).

All in all, it’s been quite a ride, one that has taken Cross from his early days in Texas where he once served as a drum tech for Ginger Baker, bought gear from Jimmy Page, and played lead guitar for Deep Purple on a night when Ritchie Blackmore fell ill, to this place as a respected singer-songwriter-guitar player who continues to share his original music with the world.
