Kali Uchis Bringing For The Girls Tour to T-Mobile Arena August 8, 2026 with Special Guest Mariah The Scientist

General On Sale Begins Thursday, April 2 at 10 a.m. PT at AXS.com

LAS VEGAS (March 30, 2026) – Today, GRAMMY®-winning global recording artist **Kali Uchis** has announced her upcoming **Kali Uchis: For The Girls Tour,** with special guest **Mariah The Scientist**. Promoted by Live Nation, the North American run will see Uchis return to the stage for a series of highly anticipated performances across major amphitheaters and arenas this spring and summer. The limited run wraps **Saturday, Aug. 8, 2026** at **T-Mobile Arena** in Las Vegas.

Building on a run of sold-out tours, most recently her highly successful *Sincerely, Tour* arena outing with over 300,000 fans in attendance, along with critically acclaimed releases, Uchis continues to solidify her position as one of the most genre-defying and influential artists of her generation, known for seamlessly blending R&B, pop, Latin, and soul into a distinct global sound.

Tickets will be available starting with an artist pre-sale beginning **Tuesday, March 31 at 10 a.m. PT.** Additional pre-sales will run throughout the week ahead of the general on sale beginning **Thursday, April 2 at 10 a.m. PT** at AXS.com.

About Kali Uchis
Global superstar, GRAMMY®-winning recording artist **Kali Uchis** has been hailed as a rare talent since she emerged. With artful forays into R&B, alt-pop, reggaeton, and Latin strains, she has released several of the most lauded albums of the past decade: from her 2015 mixtape ***Por Vida***, to her 2018 debut LP ***Isolation***, the 2020 Spanish set ***Sin Miedo (del Amor y Otros Demonios)***, 2023's **Red Moon in Venus**, which features the 2x Platinum-certified **"Moonlight,"** and was regaled by *TIME Magazine* as the 'Best Album of the Year,' 2024's ***ORQUÍDEAS***, and now her most personal body of work, her forthcoming fifth studio album ***Sincerely***, (5/9).

In 2024, ***ORQUÍDEAS*** launched Uchis' career to new heights. Her highest charting album to date (debuting at No. 2 on the Billboard 200), the critically adored record – which was her fourth album overall and second in Spanish – was led by crossover singles like the Platinum-certified **"Igual Que un Ángel"** with **Peso Pluma** (No. 1 on Hot Latin Songs, No. 23 on the Hot 100) and Gold-certified **"Labios Mordidos"** with **KAROL G** (No. 10 on Hot Latin Songs, No. 97 on the Hot 100). ***ORQUÍDEAS*** was nominated for **Best Latin Pop Album** at the **2025 GRAMMY® Awards**, **Best Pop Vocal Album** at the **Latin GRAMMYs**, and took home trophies from the **Billboard Latin Music Awards** and **Latin American Music Awards**. The set closed the year on numerous "Best Albums" lists, racking up glowing praise from countless outlets including *Pitchfork*, *Rolling Stone*, *Complex*, and *The New York Times*.

Amid consistent acclaim and honors – including nine GRAMMY®-nominations and a 2021 win in the category of **Best Dance Song** for her appearance on **Kaytranada**'s **"10%"** – **Uchis**' major breakthrough came with her own 2021 smash hit **"telepatía,"** which has been streamed more than 2 billion times to date and was the Hot 100's longest running Spanish-language song by a solo act this decade with a 23-week streak. **Uchis** is now on the way to reaching the Spotify Billions Club three times over with the smash success of songs "**telepatía," Tyler, The Creator**'s **"See You Again" (featuring Kali Uchis),"** and soon to be "**Moonlight**." Raised between Virginia and Colombia, **Uchis** has gone on to collaborate and share the stage with the likes of **SZA**, **Tyler the Creator**, **Lana Del Rey**, **Gorillaz**, **Snoop Dogg**, and **Rauw Alejandro**. **Uchis** has toured the world over on multiple sold-out headlining runs, the most recent of which saw her playing arenas, as well as celebrated sets at Coachella Valley Music & Arts Festival, Austin City Limits, Tropicalia, Governors Ball, Bonnaroo, Lollapalooza, and many more.

About Mariah The Scientist
Mariah The Scientist is a multi-platinum singer-songwriter from Atlanta, GA, whose 2025 single "Burning Blue" has accounted for one of the biggest R&B hits of the year. The Top 25 single on the Billboard Hot 100 earned No. 1 spots on the Billboard Rhythmic Airplay and Mainstream R&B/Hip Hop charts. Her latest album, HEARTS SOLD SEPARATELY debuted at No. 1 on

the Billboard Top R&B Albums chart and No. 11 on the Billboard 200 during the first week of release, earning the new project the distinction of being the highest debut on either chart in her career. Release week also marked three hit singles on the Billboard Hot 100 for the album including now RIAA certified platinum “Burning Blue,” the Kali Uchis-featured “Is It a Crime?,” and “Sacrifice” a new blossoming Hot 100 hit. In 2025, Mariah performed on highly revered stages such as The Tonight Show with Jimmy Fallon, Jimmy Kimmel Live and festival appearances including Global Citizen Festival, Lollapalooza and more. She enters into 2026 on a high note -- “Is It a Crime” climbed to No. 27 on the Hot 100, and the HEARTS SOLD SEPARATELY tour kicks off this month in Paris, with U.S. dates sold out across the country.
