What began as a one-of-a-kind event honoring the iconic "Burning Up Tour," the blockbuster arena run that became a defining moment for the band and a generation of fans, is now hitting the road, bringing one of the Jonas Brothers' most unforgettable live experiences to fans across the country.

"Our last tour reminded us just how much this music means to us and to the fans who've been with us from the start," said the **Jonas Brothers**. "The response was so overwhelming announcing the MSG shows that we knew we couldn't stop at New York. We're taking The Burning Up Tour All Over Again on the road so we can relive it with all of you, city by city. We can't wait to run it back with all of you."

The tour announcement caps an extraordinary week for the band. Last week, the Jonas Brothers were announced as the halftime performers for the NFL's first-ever regular-season game in Australia. *Camp Rock 3* premiered on Disney Channel on Thursday before making its streaming debut on Disney+ Friday, arriving nearly two decades after the original film debuted just ahead of the *Burning Up Tour*. Yesterday, on August 16, Kevin, Joe, and Nick Jonas were inducted as Disney Legends at D23, one of The Walt Disney Company's highest honors, recognizing their lasting impact on music, film, and television across generations of fans. Now, the band brings it all full circle with their sold-out shows at Madison Square Garden as the on-sale kicks off for the national tour.

Jonas Brothers are also teaming up with PopUp Bagels for a limited-edition Burning Up Schmeat - a Hot Pepper Parmesan Cream Cheese launching alongside the band's national tour, available nationwide August 17-26. The collab kicked off when Joe Jonas DM'd the PopUp Bagels account: "Burnin' up collab?" - which turned into a rich, savory parmesan schmeat with just the right kick of heat paired with PopUp's signature hot, whole bagels. Fans can expect exclusive experiences, giveaways, and surprises all campaign long.

## About Jonas Brothers

Standing out as one of the most successful groups of the 21st century, Jonas Brothers—Nick Jonas, Joe Jonas, and Kevin Jonas—have sold north of 20 million albums and counting, garnered two GRAMMY® Award nominations, earned 26 Billboard Hot 100 hits, logged three consecutive #1 debuts on the Billboard 200, and generated billions of streams. Among many accolades, they've recently claimed a star on the Hollywood Walk of Fame. In 2019, they notably ignited the comeback of the decade with their Platinum-Certified Republic Records debut, *Happiness Begins*. It yielded the history-making, 5x-Platinum smash "Sucker," which minted them as "the first group in the 21st century to debut at #1 on the Hot 100," exploded as the "longest-running #1 Pop Airplay Single of 2019," and received a GRAMMY® Award nomination in the category of "Best Pop Duo/Group Performance." Bowing at #1 on the Billboard 200, *Happiness Begins* impressively scored the "biggest sales week of 2019 at time of release" and housed the Double-Platinum "Only Human" and Platinum "Cool." The band supported the album with the worldwide "Happiness Begins Tour"—selling over 1.2 million tickets—and the Amazon Original documentaries *Chasing Happiness* and *Happiness Continues*. Along the way, the members simultaneously juggled prolific solo careers extending into television, film, and successful business ventures. In 2023, Jonas Brothers once again proved they are a constant force, embarking on a new era with the release of *The Album*, via Republic Records. *The Album* was produced by Jon Bellion and features hit singles "Waffle House" and "Wings." In support of the new album and this new era for Jonas Brothers, they kicked off "The Tour" with two sold-out shows at New York's iconic Yankee Stadium. "The Tour" included stadium and arena dates around the globe through 2024, resulting in the band's biggest and most extensive tour to date. 2025 marked a special year for Jonas Brothers as they celebrated their 20th anniversary as a band. They hosted a milestone JONASCON fan event at New Jersey's American Dream, where they celebrated 20 years of legacy, memories, and the Jonas

Brothers fan community with over 75,000 fans from all over the world in attendance. JONASCON kicked off what became an unforgettable year for the Jonas Brothers, including their brand new album, *Greetings from Your Hometown*, out now, and their highly anticipated "JONAS20: Greetings From Your Hometown" Tour, which kicked off on August 10th at MetLife Stadium. Rounding out the year, the brothers were honored with a hand-and-footprint ceremony at TCL Chinese Theatre and formally inducted into the New Jersey Hall of Fame. They also starred in the holiday film *A Very Jonas Christmas Movie* on Disney+. In May 2026, the brothers announced their new podcast, "Hey Jonas!", where they serve as co-hosts, with episodes dropping weekly.
