"Tailgate Beach Club has quickly become one of the most exciting places in Las Vegas to watch live sports, and the addition of the BetMGM Sportsbook gives fans another way to get in on the action," said Matt Prevost, Chief Revenue Officer at BetMGM. "As more people travel to Las Vegas for marquee sporting events, we're focused on creating unique experiences that bring together sports, entertainment and betting."

Guests can place wagers at the outdoor window and sign up for the BetMGM app on-site. BetMGM's single account and single wallet allow players to use the same account and funds across participating BetMGM mobile and retail sportsbooks. Digital and static signage featuring live odds further enhances the sports-viewing experience throughout the venue.

The new sportsbook builds on BetMGM's retail presence across the Las Vegas Strip, which includes 10 sportsbooks at MGM Resorts properties. The Tailgate Beach Club location introduces BetMGM's first poolside sportsbook experience.

Steps from Allegiant Stadium, Tailgate Beach Club features three heated pools, premium cabanas and more than 145 feet of LED screens that deliver a 360-degree viewing experience for up to 2,000 guests. Open during major sporting events throughout the season, the venue combines game-day energy with live entertainment, food and beverage offerings, and a poolside atmosphere unique to the Las Vegas Strip.

BetMGM currently operates in 31 markets with mobile and retail offerings. The BetMGM Sportsbook app is accessible on both iOS and Android, as well as via desktop at www.betmgm.com.

As BetMGM continues to expand into new markets and introduce new features, responsible gambling remains a key focus. Additionally, BetMGM is proud to provide resources to help customers play responsibly including GameSense, an industry-leading program, developed and licensed to MGM Resorts by the British Columbia Lottery Corporation. Through the integration within BetMGM's mobile and desktop platforms, customers can receive the same GameSense experience they have grown to rely on at MGM Resorts properties nationwide. This complements BetMGM's existing responsible gambling tools which serve to provide customers with an entertaining and safe digital experience.
