MGM NATIONAL HARBOR TRANSFORMS CONSERVATORY INTO A HOLIDAY WONDERLAND

MGM National Harbor will welcome the holiday season with a festive new conservatory display featuring larger-than-life holiday figures, including a 35-foot soldier perched on a holiday drum, a 25-foot Christmas spire ornament and a 16-foot rocking horse. Eight oversized ornaments containing 18,750 smaller ornaments each will hang overhead alongside eight red and metallic bows adorned with 1,220 red carnations and hydrangeas apiece. Additional highlights include five suspended gold stars, seven white Christmas trees ranging from 16 to 25 feet tall, oversized gift boxes, red ornament balls and a 13-foot snow globe featuring a rotating Santa in his sleigh.

The display is expected to be completed by November 20, is free and open to the public 24 hours a day and will remain on view through January 23, 2027.
