DESIGNER:	Martin Brudnizki
DÉCOR:	The stunning space by London and New York-based Martin Brudnizki Design Studios draws inspiration from

the whirlwind glamour of old Vegas and Hollywood, and The Mayfair's waterfront locale. Guests are brought into a world inspired by mythology and tales of Neptune with elements such as a statement bar with a sea-green Murano glass canopy, coral-inspired wall lights, scalloped-edge banquettes, and a ceramic shell wall. Textures and colors are richly layered to create a decadent and sophisticated backdrop for an evening of dining and dancing.
